

PROGRAMMING ROBOT CARS USING LEGO MINDSTORMS!

With Mrs Gardener and Dr Warren (of Warren Technology)

On: 15th, 18th December and 5th January

At: Woodcote House School Science Lab

09.00-15.00

Cost: £55 per day

Learn how to:

- Design and build your own robot.
- **Learn to code** your robot to obey commands.
- Program your robot to react to touch, light and dark, sound, and colours.
- Give your robot a face and get it to speak.
- Navigate an obstacle course with your robot car.

Email: eg@woodcotehouseschool.co.uk to book a place for your child/children.

Ages 9-13

NO previous programming/coding experience necessary!
