Congratulations, you've read your way around the world!

# The rules!

- Only 500 miles can be travelled in one day.
- Each child should take the reading challenge at their own pace. The most important thing is that they enjoy their reading.
- Reading material may be fiction or non-fiction but must be suitably challenging.
- Please write a note in your child's diary to confirm that they have completed the minutes required for each 500 mile trip.
