

Today's Pre-Prep and Early Years concert welcomed the beginning of Spring with some lovely performances of poetry, song and dance. The children clearly enjoyed themselves and they were a huge credit to their parents and teachers. Congratulations to them all.

Next week sees the re-arranged Technology Fair and conference on Thursday (see below), and on Friday our Easter Service at 2.00 pm. Parents are welcome to attend.

Since this is the last Newsletter of term we take this opportunity to wish you all a very happy Easter.

Music Competition

Well done to all those who participated in the Music Competition this week. We had over one hundred and eighty performances across two days and our adjudicators from senior schools were most impressed with all Hall Grove Musicians! Unfortunately, because there were so many classes this year, we are unable to invite every winner to perform at the Instrumental Competition Winner's Concert. Miss Post will be emailing those more senior stars this evening with more details for the concert **next Wednesday**. The results are attached.

Music Exams

Well done to all those who took music exams today, and good luck to all those for tomorrow! Results will be sent to Miss Post in the next 2-3 weeks at which point she will inform the music teachers, who will then contact parents directly.

Weekly review

Boys Sport

IAPS National Judo

Congratulations to Thomas Dyson (Silver medal) and Josh Symons (Bronze medal) on their excellent performances at the National Judo finals last Saturday. Hall Grove sent a small team who finished in 5th place. Well done to all who competed in this event

Fencing

On Sunday Thomas Dyson continued his busy weekend competing in the Regional Fencing championships in the U14 category. He competed well winning four of his matches and will be part of the Hall Grove team taking part in the IAPS championships in May.

The hockey teams continued to play well this week in some exciting matches across all the age groups. On Saturday the boys recorded six wins, a draw and a loss against Moulsoford. On Monday the U10's finished 3rd in a high-quality tournament at Charterhouse. The 2nd and 3rd teams played well against Cranmore on Wednesday, recording 2 wins, and the U11 D's secured a victory against Lambrook. The U10's again took on Hoe Bridge and performed much better than the previous week and showed huge improvement. The U9's and U8's had good matches against Feltonfleet and recorded some encouraging results across all the teams.

Sevens

The sevens squad has had three tournaments in the last 10 days and continues to improve; the performance at Woodcote House's Tournament was especially pleasing. Unfortunately, Ludgrove proved too strong in the final but the team should take heart from their performance. The biggest challenge for the team comes next week at the Rosslyn Park Sevens.

Girls Sport

The girls are thoroughly enjoying the lacrosse season, recording a clean sweep of victories on Wednesday against Crosfield. Well done!
